Bank that is subject to the housing goals. FHFA may resolve any error, omission or discrepancy by adjusting the Bank's official housing goals performance figure. If the Director determines that the year-end data reported by a Bank for a year preceding the latest year for which data on housing goals performance was reported to FHFA contained a material error, omission or discrepancy, the Director may increase the corresponding housing goal for the current year by the number of mortgages that the Director determines were overstated in the prior year's goal performance.

(1) Three single-family owner-occupied purchase money mortgage housing goals, a single-family owner-occupied purchase money mortgage housing subgoal, a single-family refinancing mortgage housing goal, a multifamily special affordable housing goal and a multifamily special affordable housing subgoal;

(2) Requirements for measuring performance under the goals; and

(3) Procedures for monitoring and enforcing the goals.

(b) *Annual goals.* Each housing goal shall be established by regulation no later than December 1 of the preceding year, except that any housing goal may be adjusted by regulation to reflect subsequent available data and market developments.

§ 1282.12 Single-family housing goals.

(a) *Single-family housing goals.* An Enterprise shall be in compliance with a single-family housing goal if its performance under the housing goal meets or exceeds either:

(1) The share of the market that qualifies for the goal; or

(2) The benchmark level for the goal.

(b) *Size of market.* The size of the market for each goal shall be established annually by FHFA based on data reported pursuant to the Home Mortgage Disclosure Act for a given year. Unless otherwise adjusted by FHFA, the size of the market shall be determined based on the following criteria:

(1) Only owner-occupied, conventional loans shall be considered;

(2) Purchase money mortgages and refinancing mortgages shall only be counted for the applicable goal or goals;

(3) All mortgages flagged as HOEPA loans or subordinate lien loans shall be excluded;

(4) All mortgages with original principal balances above the conforming loan limits for single unit properties for the year being evaluated (rounded to the nearest \$1,000) shall be excluded;

(6) All mortgages that are missing information necessary to determine appropriate counting under the housing goals shall be excluded.

(c) *Low-income families housing goal.* The percentage share of each Enterprise's total purchases of purchase money mortgages on owner-occupied single-family housing that consists of mortgages for low-income families shall meet or exceed either:

§ 1282.13

12 CFR Ch. XII (1–1–11 Edition)

(1) The share of such mortgages in the market as defined in paragraph (b) of this section in each year; or

(2) The benchmark level, which for 2010 and 2011 shall be 27 percent of the total number of purchase money mortgages purchased by that Enterprise in each year that finance owner-occupied single-family properties.

(d) *Very low-income families housing goal.* The percentage share of each Enterprise's total purchases of purchase money mortgages on owner-occupied single-family housing that consists of mortgages for very low-income families shall meet or exceed either:

(1) The share of such mortgages in the market as defined in paragraph (b) of this section in each year; or

(2) The benchmark level, which for 2010 and 2011 shall be 8 percent of the total number of purchase money mortgages purchased by that Enterprise in each year that finance owner-occupied single-family properties.

(e) *Low-income areas housing goal.* The percentage share of each Enterprise's total purchases of purchase money mortgages on owner-occupied single-family housing that consists of mortgages for families in low-income areas shall meet or exceed either:

(1) The share of such mortgages in the market as defined in paragraph (b) of this section in each year; or

(2) A benchmark level which shall be set annually by FHFA notice based on the benchmark level for the low-income areas housing subgoal, plus an adjustment factor reflecting the additional incremental share of mortgages for moderate-income families in designated disaster areas in the most recent year for which such data is available.

(f) *Low-income areas housing subgoal.* The percentage share of each Enterprise's total purchases of purchase money mortgages on owner-occupied single-family housing that consists of mortgages for families in low-income census tracts or for moderate-income families in minority census tracts shall meet or exceed either:

(1) The share of such mortgages in the market as defined in paragraph (b) of this section in each year; or

(2) The benchmark level, which for 2010 and 2011 shall be 13 percent of the

total number of purchase money mortgages purchased by that Enterprise in each year that finance owner-occupied single-family properties.

(g) *Refinancing housing goal.* The percentage share of each Enterprise's total purchases of refinancing mortgages on owner-occupied single-family housing that consists of refinancing mortgages for low-income families shall meet or exceed either:

(1) The share of such mortgages in the market as defined in paragraph (b) of this section in each year; or

(2) The benchmark level, which for 2010 and 2011 shall be 21 percent of the total number of refinancing mortgages purchased by that Enterprise in each year that finance owner-occupied single-family properties.

§ 1282.13 Multifamily special affordable housing goal and subgoal.

(a) *Multifamily housing goal and subgoal.* An Enterprise shall be in compliance with a multifamily housing goal or subgoal if its performance under the housing goal or subgoal meets or exceeds the benchmark level for the goal.

(b) *Multifamily low-income housing goal.* For the years 2010 and 2011, the goal for each Enterprise's purchases of mortgages on multifamily residential housing affordable to low-income families shall be, for Fannie Mae, at least 177,750 dwelling units affordable to low-income families in multifamily residential housing financed by mortgages purchased by that Enterprise in each year, and for Freddie Mac, at least 161,250 such dwelling units in each year.

(c) *Multifamily very low-income housing subgoal.* For the years 2010 and 2011, the subgoal for each Enterprise's purchases of mortgages on multifamily residential housing affordable to very low-income families shall be, for Fannie Mae, at least 42,750 dwelling units affordable to very low-income families in multifamily residential housing financed by mortgages purchased by that Enterprise in each year, and for Freddie Mac, at least 21,000 such dwelling units in each year.

Federal Housing Finance Agency.

§ 1282.15

§ 1282.14 Discretionary adjustment of housing goals.

(a) An Enterprise may petition the Director in writing during any year to reduce any goal or subgoal for that year.

(b) The Director shall seek public comment on any such petition for a period of 30 days.

(c) The Director shall make a determination regarding the petition within 30 days after the end of the public comment period. If the Director requests additional information from the Enterprise after the end of the public comment period, the Director may extend the period for a final determination for a single additional 15-day period.

(d) The Director may reduce a goal or subgoal pursuant to a petition for reduction only if:

(1) Market and economic conditions or the financial condition of the Enterprise require such a reduction; or

(2) Efforts to meet the goal or subgoal would result in the constraint of liquidity, over-investment in certain market segments, or other consequences contrary to the intent of the Safety and Soundness Act or the purposes of the Charter Acts (12 U.S.C. 1716; 12 U.S.C. 1451 note).

§ 1282.15 General counting requirements.

(a) *Calculating the numerator and denominator for single-family housing goals.* Performance under each of the single-family housing goals shall be measured using a fraction that is converted into a percentage. Neither the numerator nor the denominator shall include Enterprise transactions or activities that are not mortgage purchases as defined by FHFA or that are specifically excluded as ineligible under § 1282.16(b).

(1) *The numerator.* The numerator of each fraction is the number of mortgage purchases of an Enterprise in a particular year that finance owner-occupied single-family properties that count toward achievement of a particular single-family housing goal.

(2) *The denominator.* The denominator of each fraction is the total number of mortgage purchases of an Enterprise in a particular year that finance owner-occupied single-family properties. A separate denominator shall be cal-

culated for purchase money mortgages and for refinancing mortgages.

(b) *Missing data or information for single-family housing goals.* When an Enterprise lacks sufficient data or information to determine whether the purchase of a mortgage originated after 1992 counts toward achievement of a particular single-family housing goal, that mortgage purchase shall be included in the denominator for that housing goal, except under the circumstances described in this paragraph (b).

(1) Mortgage purchases financing owner-occupied single-family properties shall be evaluated based on the income of the mortgagors and the area median income at the time the mortgage was originated. To determine whether mortgages may be counted under a particular family income level, *i.e.*, low- or very low-income, the income of the mortgagors is compared to the median income for the area at the time of the mortgage application, using the appropriate percentage factor provided under § 1282.17.

(2) When the income of the mortgagor(s) is not available to determine whether a mortgage purchase counts toward achievement of a particular single-family housing goal, an Enterprise's performance with respect to such mortgage purchase may be evaluated using estimated affordability information by multiplying the number of mortgage purchases with missing borrower income information in each census tract by the percentage of all single-family owner-occupied mortgage originations in the respective tracts that would count toward achievement of each goal, as determined by FHFA based on the most recent Home Mortgage Disclosure Act data available.

(3) The estimation methodology in paragraph (b)(2) of this section may be used up to a nationwide maximum that shall be calculated by multiplying, for each census tract, the percentage of all single-family owner-occupied mortgage originations with missing borrower incomes (as determined by FHFA based on the most recent Home Mortgage Disclosure Act data available for home purchase and refinance mortgages, respectively) by the number of Enterprise mortgage purchases secured by

single-family owner-occupied properties for each census tract, summed up over all census tracts. Separate nationwide maximums shall be calculated for purchase money mortgages and for refinancing mortgages. If the nationwide maximum is exceeded, then the estimated number of goal-qualifying mortgages will be adjusted by the ratio of the applicable nationwide maximum to the total number of mortgage purchases secured by single-family owner-occupied properties for the Enterprise in that year. Mortgage purchases in excess of the nationwide maximum, and any units for which estimation information is not available, shall remain in the denominator of the respective goal calculation.

(c) *Counting dwelling units for multifamily housing goal and subgoal.* Performance under the multifamily housing goal and subgoal shall be measured by counting the number of dwelling units that count toward achievement of a particular housing goal or subgoal in all multifamily properties financed by mortgages purchased by an Enterprise in a particular year. Only dwelling units that are financed by mortgage purchases, as defined by FHFA, and that are not specifically excluded as ineligible under §1282.16(b), may be counted for purposes of the multifamily housing goal and subgoal.

(d) *Counting rental units.* For purposes of counting rental units toward achievement of the multifamily housing goal and subgoal, mortgage purchases financing such units shall be evaluated based on the income of actual or prospective tenants where such data is available, *i.e.*, known to a lender, and the area median income at the time the mortgage was acquired.

(1) *Use of income.* Each Enterprise shall require lenders to provide to the Enterprise tenant income information, but only when such information is known to the lender. When the income of actual tenants is available, the income of the tenant shall be compared to the median income for the area, adjusted for family size as provided in §1282.17, or as provided in §1282.18 if family size is not known.

(i) When such tenant income information is available for all occupied units, the Enterprise's performance

shall be based on the income of the tenants in the occupied units. For unoccupied units that are vacant and available for rent and for unoccupied units that are under repair or renovation and not available for rent, the Enterprise shall use rent levels for comparable units in the property to determine affordability, except as provided in paragraph (d)(1)(ii) of this section.

(ii) When income for tenants is available to a lender because a project is subject to a Federal housing program that establishes the maximum income for a tenant or a prospective tenant in rental units, the income of prospective tenants may be counted at the maximum income level established under such housing program for that unit. In determining the income of prospective tenants, the income shall be projected based on the types of units and market area involved. Where the income of prospective tenants is projected, each Enterprise must determine that the income figures are reasonable considering the rents (if any) on the same units in the past and considering current rents on comparable units in the same market area.

(2) *Use of rent.* When the income of the prospective or actual tenants of a dwelling unit is not available, performance under the multifamily housing goal and subgoal will be evaluated based on rent and whether the rent is affordable to the income group targeted by the housing goal and subgoal. A rent is affordable if the rent does not exceed the maximum income levels as provided in §1282.19. In determining contract rent for a dwelling unit, the actual rent or average rent by unit type shall be used.

(3) *Model units and rental offices.* A model unit or rental office in a multifamily property may be counted for purposes of the multifamily housing goal and subgoal only if an Enterprise determines that the number of such units is reasonable and minimal considering the size of the multifamily property.

(4) *Timeliness of information.* In evaluating affordability under the multifamily housing goal and subgoal, each Enterprise shall use tenant and rental information as of the time of mortgage acquisition.

Federal Housing Finance Agency.

§ 1282.16

(e) *Missing data or information for multifamily housing goal and subgoal.*—(1) When an Enterprise lacks sufficient information to determine whether a rental unit in a property securing a multifamily mortgage purchased by an Enterprise counts toward achievement of the multifamily housing goal or subgoal because neither the income of prospective or actual tenants, nor the actual or average rental data, are available, an Enterprise's performance with respect to such unit may be evaluated using estimated affordability information by multiplying the number of rental units with missing affordability information in properties securing multifamily mortgages purchased by the Enterprise in each census tract by the percentage of all rental dwelling units in the respective tracts that would count toward achievement of each goal and subgoal, as determined by FHFA based on the most recent decennial census.

(2) The estimation methodology in paragraph (e)(1) of this section may be used up to a nationwide maximum of ten percent of the total number of rental units in properties securing multifamily mortgages purchased by the Enterprise in the current year. Multifamily rental units in excess of this maximum, and any units for which estimation information is not available, shall not be counted for purposes of the multifamily housing goal and subgoal.

(f) *Credit toward multiple goals.* A mortgage purchase (or dwelling unit financed by such purchase) by an Enterprise in a particular year shall count toward the achievement of each housing goal for which such purchase (or dwelling unit) qualifies in that year.

(g) *Application of median income.*—(1) For purposes of determining an area's median income under §§ 1282.17 through 1282.19 and the definitions in § 1282.1, the area is:

(i) The metropolitan area, if the property which is the subject of the mortgage is in a metropolitan area; and

(ii) In all other areas, the county in which the property is located, except that where the State non-metropolitan median income is higher than the county's median income, the area is the State non-metropolitan area.

(2) When an Enterprise cannot precisely determine whether a mortgage is on dwelling unit(s) located in one area, the Enterprise shall determine the median income for the split area in the manner prescribed by the Federal Financial Institutions Examination Council for reporting under the Home Mortgage Disclosure Act, if the Enterprise can determine that the mortgage is on dwelling unit(s) located in:

- (i) A census tract;
- (ii) A census place code;
- (iii) A block-group enumeration district;
- (iv) A nine-digit zip code; or
- (v) Another appropriate geographic segment that is partially located in more than one area ("split area").

(h) *Sampling not permitted.* Performance under the housing goals for each year shall be based on a complete tabulation of mortgage purchases (or dwelling units) for that year; a sampling of such purchases (or dwelling units) is not acceptable.

(i) *Newly available data.* When an Enterprise uses data to determine whether a mortgage purchase (or dwelling unit) counts toward achievement of any goal and new data is released after the start of a calendar quarter, the Enterprise need not use the new data until the start of the following quarter.

§ 1282.16 Special counting requirements.

(a) *General.* FHFA shall determine whether an Enterprise shall receive full, partial, or no credit toward achievement of any of the housing goals for a transaction that otherwise qualifies under this part. In this determination, FHFA will consider whether a transaction or activity of the Enterprise is substantially equivalent to a mortgage purchase and either creates a new market or adds liquidity to an existing market, provided however that such mortgage purchase actually fulfills the Enterprise's purposes and is in accordance with its Charter Act.

(b) *Not counted.* The following transactions or activities shall not be counted for purposes of the housing goals and shall not be included in the numerator or the denominator in calculating either Enterprise's performance under

the housing goals, even if the transaction or activity would otherwise be counted pursuant to paragraph (c) of this section:

- (1) Equity investments in low-income housing tax credits;
- (2) Purchases of State and local government housing bonds except as provided in paragraph (c)(8) of this section;
- (3) Purchases of single-family non-conventional mortgages and multifamily non-conventional mortgages, except:
 - (i) Multifamily mortgages acquired under a risk-sharing arrangement with a Federal agency;
 - (ii) Multifamily mortgages under other multifamily mortgage programs involving Federal guarantees, insurance or other Federal obligation where FHFA determines in writing that the financing needs addressed by the particular mortgage program are not well served and that the mortgage purchases under such program should count under the housing goals;
- (4) Commitments to buy mortgages at a later date or time;
- (5) Options to acquire mortgages;
- (6) Rights of first refusal to acquire mortgages;
- (7) Any interests in mortgages that the Director determines, in writing, shall not be treated as interests in mortgages;
- (8) Mortgage purchases to the extent they finance any dwelling units that are secondary residences;
- (9) Single-family refinancing mortgages that result from conversion of balloon notes to fully amortizing notes, if the Enterprise already owns or has an interest in the balloon note at the time conversion occurs;
- (10) Purchases of subordinate lien mortgages (second mortgages);
- (11) Purchases of mortgages or interests in mortgages that were previously counted by the Enterprise under any current or previous housing goal within the five years immediately preceding the current performance year;
- (12) Purchases of mortgages where the property, or any units within the property, have not been approved for occupancy;
- (13) Purchases of private label securities;

(14) Enterprise contributions to the Housing Trust Fund (12 U.S.C. 4568) or the Capital Magnet Fund (12 U.S.C. 4569), and mortgage purchases funded with such grant amounts; and

(15) Any combination of factors in paragraphs (b)(1) through (b)(14) of this section.

(c) *Other special rules.* Subject to FHFA's determination of whether an Enterprise shall receive full, partial, or no credit for a transaction toward achievement of any of the housing goals as provided in paragraph (a) of this section, the transactions and activities identified in this paragraph (c) shall be treated as mortgage purchases as described. A transaction or activity that is covered by more than one paragraph below must satisfy the requirements of each such paragraph. The mortgages (or dwelling units, for the multifamily housing goals) from each such transaction or activity shall be included in the denominator in calculating the Enterprise's performance under the housing goals, and shall be included in the numerator, as appropriate.

(1) *Credit enhancements.*—(i) Mortgages (or dwelling units) financed under a credit enhancement entered into by an Enterprise shall be treated as mortgage purchases for purposes of the housing goals only when:

(A) The Enterprise provides a specific contractual obligation to ensure timely payment of amounts due under a mortgage or mortgages financed by the issuance of housing bonds (such bonds may be issued by any entity, including a State or local housing finance agency); and

(B) The Enterprise assumes a credit risk in the transaction substantially equivalent to the risk that would have been assumed by the Enterprise if it had securitized the mortgages financed by such bonds.

(ii) When an Enterprise provides a specific contractual obligation to ensure timely payment of amounts due under any mortgage originally insured by a public purpose mortgage insurance entity or fund, the Enterprise may, on a case-by-case basis, seek approval from the Director for such activities to count toward achievement of the housing goals.

(2) [Reserved]

(3) *Risk-sharing.* Mortgages purchased under risk-sharing arrangements between an Enterprise and any Federal agency under which the Enterprise is responsible for a substantial amount of the risk shall be treated as mortgage purchases for purposes of the housing goals.

(4) *Participations.* Participations purchased by an Enterprise shall be treated as mortgage purchases for purposes of the housing goals only when the Enterprise's participation in the mortgage is 50 percent or more.

(5) *Cooperative housing and condominiums.*—(i) The purchase of a mortgage on a cooperative housing unit (“a share loan”) or a mortgage on a condominium unit shall be treated as a mortgage purchase for purposes of the housing goals. Such a purchase shall be counted in the same manner as a mortgage purchase of single-family owner-occupied units.

(ii) The purchase of a mortgage on a cooperative building (“a blanket loan”) or a mortgage on a condominium project shall be treated as a mortgage purchase for purposes of the housing goals. The purchase of a blanket loan or a condominium project mortgage shall be counted in the same manner as a mortgage purchase of a multifamily rental property.

(iii) Where an Enterprise purchases both a blanket loan on a cooperative building and share loans for units in the same building, both the blanket loan and the share loan(s) shall be treated as mortgage purchases for purposes of the housing goals. Where an Enterprise purchases both a condominium project mortgage and mortgages on condominium dwelling units in the same project, both the condominium project mortgages and the mortgages on condominium dwelling units shall be treated as mortgage purchases for purposes of the housing goals.

(6) *Seasoned mortgages.* An Enterprise's purchase of a seasoned mortgage shall be treated as a mortgage purchase for purposes of the housing goals, except where the Enterprise has already counted the mortgage under any current or previous housing goal

within the five years immediately preceding the current performance year.

(7) *Purchase of refinancing mortgages.* The purchase of a refinancing mortgage by an Enterprise shall be treated as a mortgage purchase for purposes of the housing goals only if the refinancing is an arms-length transaction that is borrower-driven.

(8) *Mortgage revenue bonds.* The purchase or guarantee by an Enterprise of a mortgage revenue bond issued by a State or local housing finance agency shall be treated as a purchase of the underlying mortgages for purposes of the housing goals only to the extent the Enterprise has sufficient information to determine whether the underlying mortgages or mortgage-backed securities qualify for inclusion in the numerator for one or more housing goal.

(9) [Reserved]

(10) *Loan modifications.* An Enterprise's permanent modification, in accordance with the Making Home Affordable program announced on March 4, 2009, of a loan that is held in the Enterprise's portfolio or that is in a pool backing a security guaranteed by the Enterprise, shall be treated as a mortgage purchase for purposes of the housing goals. Each such permanent loan modification shall be counted in the same manner as a purchase of a refinancing mortgage.

(11) [Reserved]

(12) [Reserved]

(13) [Reserved]

(14) *Seller dissolution option.*—(i) Mortgages acquired through transactions involving seller dissolution options shall be treated as mortgage purchases for purposes of the housing goals, only when:

(A) The terms of the transaction provide for a lockout period that prohibits the exercise of the dissolution option for at least one year from the date on which the transaction was entered into by the Enterprise and the seller of the mortgages; and

(B) The transaction is not dissolved during the one-year minimum lockout period.

(ii) The Director may grant an exception to the one-year minimum lockout period described in paragraphs (c)(14)(i)(A) and (B) of this section, in

§ 1282.17

response to a written request from an Enterprise, if the Director determines that the transaction furthers the purposes of the Safety and Soundness Act and the Enterprise's Charter Act.

(iii) For purposes of this paragraph (c)(14), "seller dissolution option" means an option for a seller of mortgages to the Enterprises to dissolve or otherwise cancel a mortgage purchase agreement or loan sale.

(d) *HOEPA mortgages and mortgages with unacceptable terms or conditions.* HOEPA mortgages and mortgages with unacceptable terms or conditions, as defined in §1282.1, shall be treated as mortgage purchases for purposes of the housing goals and shall be included in the denominator for each applicable single-family housing goal, but such mortgages shall not be counted in the numerator for any housing goal.

(e) *FHFA review of transactions.* FHFA may determine whether and how any transaction or class of transactions shall be counted for purposes of the housing goals, including treatment of missing data. FHFA will notify each Enterprise in writing of any determination regarding the treatment of any transaction or class of transactions under the housing goals.

§ 1282.17 Affordability—Income level definitions—family size and income known (owner-occupied units, actual tenants, and prospective tenants).

In determining whether a dwelling unit is affordable where income information (and family size, for rental housing) is known to the Enterprise, the affordability of the unit shall be determined as follows:

(2) In the case of rental units, where the income of actual or prospective tenants is available, income not in excess of the following percentages of area median income corresponding to the following family sizes:

*30% plus (2.4% multiplied by the number of persons in excess of 4).

§ 1282.18 Affordability—Income level definitions—family size not known (actual or prospective tenants).

In determining whether a rental unit is affordable where family size is not known to the Enterprise, income will be adjusted using unit size, and affordability determined as follows:

(a) *For moderate-income*, the income of prospective tenants shall not exceed the following percentages of area median income with adjustments, depending on unit size:

*31.2% plus (3.6% multiplied by the number of bedrooms in excess of 3).

§ 1282.19 Affordability—Rent level definitions—tenant income is not known.

For purposes of determining whether a rental unit is affordable where the income of the family in the dwelling unit

§ 1282.20

is not known to the Enterprise, the affordability of the unit is determined based on unit size as follows:

(a) *For moderate-income*, maximum affordable rents to count as housing for moderate-income families shall not exceed the following percentages of area median income with adjustments, depending on unit size:

Unit size	Percentage of area median income

If an Enterprise makes such efforts but cannot obtain data on the number of bedrooms in particular units, in making the calculations on such units, the units shall be assumed to be efficiencies except as provided in § 1282.15(e)(1).

§ 1282.20 Determination of compliance with housing goals; notice of determination.

(a) *Single-family housing goals*. The Director shall evaluate each Enterprise's performance under the low-income families housing goal, the very low-income families housing goal, the low-income areas housing goal, the low-income areas housing subgoal, and the refinancing mortgages housing goal on an annual basis. If the Director determines that an Enterprise has failed, or there is a substantial probability that an Enterprise will fail, to meet a single-family housing goal established by this subpart, the Director shall notify the Enterprise in writing of such preliminary determination.

(b) *Multifamily housing goal and subgoal*. The Director shall evaluate each Enterprise's performance under the multifamily low-income housing goal and the multifamily very low-income housing subgoal on an annual basis. If the Director determines that

Federal Housing Finance Agency.

§ 1282.62

an Enterprise has failed, or there is a substantial probability that an Enterprise will fail, to meet a multifamily housing goal or subgoal established by this subpart, the Director shall notify the Enterprise in writing of such preliminary determination.

(c) Any notification to an Enterprise of a preliminary determination under this section shall provide the Enterprise with an opportunity to respond in writing in accordance with the procedures at 12 U.S.C. 4566(b).

§ 1282.21 Housing plans.

(a) *General.* If the Director determines that an Enterprise has failed, or there is a substantial probability that an Enterprise will fail, to meet any housing goal and that the achievement of the housing goal was or is feasible, the Director may require the Enterprise to submit a housing plan for approval by the Director.

(b) *Nature of plan.* If the Director requires a housing plan, the housing plan shall:

- (1) Be feasible;
- (2) Be sufficiently specific to enable the Director to monitor compliance periodically;
- (3) Describe the specific actions that the Enterprise will take:
 - (i) To achieve the goal for the next calendar year; and
 - (ii) If the Director determines that there is a substantial probability that the Enterprise will fail to meet a housing goal in the current year, to make such improvements and changes in its operations as are reasonable in the remainder of the year; and
- (4) Address any additional matters relevant to the plan as required, in writing, by the Director.

(c) *Deadline for submission.* The Enterprise shall submit the housing plan to the Director within 45 days after issuance of a notice requiring the Enterprise to submit a housing plan. The Director may extend the deadline for submission of a plan, in writing and for a time certain, to the extent the Director determines an extension is necessary.

(d) *Review of housing plans.* The Director shall review and approve or disapprove housing plans in accordance with 12 U.S.C. 4566(c)(4) and (c)(5).

(e) *Resubmission.* If the Director disapproves an initial housing plan submitted by an Enterprise, the Enterprise shall submit an amended plan acceptable to the Director not later than 15 days after the Director's disapproval of the initial plan; the Director may extend the deadline if the Director determines an extension is in the public interest. If the amended plan is not acceptable to the Director, the Director may afford the Enterprise 15 days to submit a new plan.

Subpart C [Reserved]

Subpart D—Reporting Requirements

§ 1282.61 General.

This subpart establishes data submission and reporting requirements to carry out the requirements of the Enterprises' Charter Acts and the Safety and Soundness Act.

§ 1282.62 Mortgage reports.

(a) *Loan-level data elements.* To implement the data collection and submission requirements for mortgage data, and to assist the Director in monitoring the Enterprises' housing goal activities, each Enterprise shall collect and compile computerized loan-level data on each mortgage purchased in accordance with 12 U.S.C. 1456(e) and 1723a(m). The Director may, from time to time, issue a list entitled "Required Loan-level Data Elements" specifying the loan-level data elements to be collected and maintained by the Enterprises and provided to the Director. The Director may revise the list by written notice to the Enterprises.

(b) *Quarterly Mortgage Reports.* Each Enterprise shall submit to the Director a quarterly Mortgage Report. The fourth quarter Mortgage Report shall serve as the Annual Mortgage Report and shall be designated as such. Each Mortgage Report shall include:

- (1) Aggregations of the loan-level mortgage data compiled by the Enterprise under paragraph (a) of this section for year-to-date mortgage purchases, in the format specified in writing by the Director;

§ 1282.63

(2) Year-to-date dollar volume, number of units, and number of mortgages on owner-occupied and rental properties purchased by the Enterprise that do, and do not, qualify under each housing goal as set forth in this part; and

(3) Year-to-date computerized loan-level data consisting of the data elements required under paragraph (a) of this section.

(c) *Timing of Reports.* The Enterprises shall submit the Mortgage Report for each of the first 3 quarters of each year within 60 days of the end of the quarter. Each Enterprise shall submit its Annual Mortgage Report within 75 days after the end of the calendar year.

(d) *Revisions to Reports.* At any time before submission of its Annual Mortgage Report, an Enterprise may revise any of its quarterly reports for that year.

(e) *Format.* The Enterprises shall submit to the Director computerized loan-level data with the Mortgage Report, in the format specified in writing by the Director.

§ 1282.63 Annual Housing Activities Report.

To comply with the requirements in sections 309(n) of the Fannie Mae Charter Act and 307(f) of the Freddie Mac Act and assist the Director in preparing the Director's Annual Report to Congress, each Enterprise shall submit to the Director an AHAR including the information listed in those sections of the Charter Acts. Each Enterprise shall submit such report within 75 days after the end of each calendar year, to the Director, the Committee on Financial Services of the House of Representatives, and the Committee on Banking, Housing, and Urban Affairs of the Senate. Each Enterprise shall make its AHAR available to the public online and at its principal and regional offices. Before making any such report available to the public, the Enterprise may exclude from the report any information that the Director has deemed proprietary.

§ 1282.64 Periodic reports.

Each Enterprise shall provide to the Director such reports, information and

12 CFR Ch. XII (1–1–11 Edition)

data as the Director may request from time to time.

§ 1282.65 Enterprise data integrity.

(a) *Certification.*—(1) The senior officer of each Enterprise who is responsible for submitting the fourth quarter Annual Mortgage Report and the AHAR under sections 309(m) and (n) of the Fannie Mae Charter Act or sections 307(e) and (f) of the Freddie Mac Act, as applicable, or for submitting any other report(s), data or information for which certification is requested in writing by the Director, shall certify such report(s), data or information.

(2) The certification shall state as follows: “To the best of my knowledge and belief, the information provided herein is true, correct and complete.”

(b) *Adjustment to correct errors, omissions or discrepancies in AHAR data.* FHFA shall determine the official housing goal performance figure for each Enterprise under the housing goals on an annual basis. FHFA may resolve any error, omission or discrepancy by adjusting the Enterprise's official housing goal performance figure. If the Director determines that the year-end data reported by an Enterprise for a year preceding the latest year for which data on housing goals performance was reported to FHFA contained a material error, omission or discrepancy, the Director may increase the corresponding housing goal for the current year by the number of mortgages (or dwelling units) that the Director determines were overstated in the prior year's goal performance.
